**Braemar Hills / Gleason Circle / St. Patrick's Lane Neighborhood  
Roadway Reconstruction**

Dear Resident:

The following is a quick update of the project in your neighborhood:

**Neighborhood Reconstruction Schedule**

Crews will begin paving your streets Monday, weather permitting. If you have any special needs or questions, feel free to ask one of the workers or me for assistance. Because crews use the entire roadway for paving, all on-street parking will be restricted until the roadway is finished. The roadway will be open to traffic, but minor delays should be expected.

Next week, crews will begin work on restoration efforts as things wrap up. Crews will repair pet fences and irrigation systems disturbed by construction activities, as well as restore any blacktop driveways.

**Boulevard restoration**

Crews will continue to restore irrigation systems, pet fences and disturbed turf. If you have an irrigation or pet containment system and have not been contacted by Premiere Lawn's Joe Bartusek, please call 952-292-5370 or email [PremiereLawn@gmail.com](mailto:PremiereLawn@gmail.com) to schedule an appointment. He will do a final adjustment after the black dirt and hydro-seed are placed.

**Communications**

For detailed information about the project, visit [www.EdinaMN.gov/construction\\_braemar\\_gleason\\_stpatricks](http://www.EdinaMN.gov/construction_braemar_gleason_stpatricks). The City of Edina and Northwest Asphalt thank you for your patience and cooperation throughout the project.

Regards,

Jeff Frahm
